## HAIDA CHILD & FAMILY SERVICES SOCIETY

➤➤ A Delegated Aboriginal Agency

**O**ur Mission is to create healthy, safe environments for our children and families, by developing and delivering holistic programs and services that model our traditional Haida way of life; that of love, respect, nurturing, caring and sharing.

## VISION OF THE AGENCY

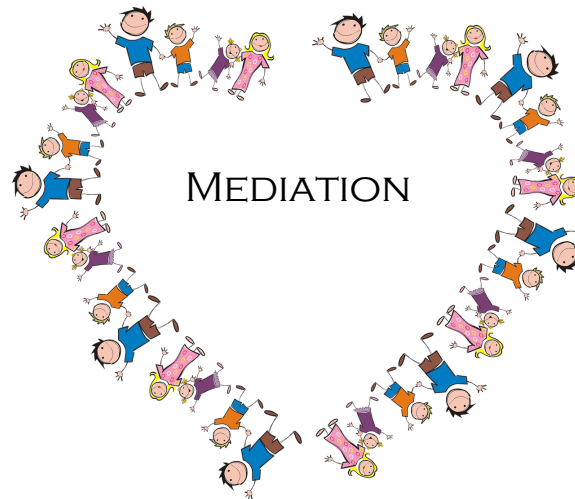

**T**he Haida Child and Family Services Society (HCFSS) is a self-determining agency supporting the children and families of the Haida Nation by facilitating and restoring the balance that traditionally guided Haida family relationships and values.

This Vision, reflects the Agency's desire to exercise their right of self-determination and their inherent jurisdiction in the area of child welfare based on Haida laws and values.

HCFSS is a holistic child and family service agency, based on Haida traditions, values and customs. The organizations overall vision and key objectives are to deliver and develop a traditional model of supporting children and families.

## WHAT WE DO

- Family Group Conferencing  
Community based solutions to family concerns
- Family Support Program  
Support and skills development for parents

- Extended Family Program
- Family Case Planning Conference

## ABOUT US

We are on a journey to assume responsibility to provide assistance to children presently provided by the Ministry of Children and Family Development.

We work from within communities to support and protect Haida children and families both on and off island.
